

Martha Pletikapich Roth BSN, RN, OCN

Graduated from Bethesda Hospital School of Nursing in 1976, and earned a BSN from Xavier University in 1982. She received a certification in oncology in 1988. After graduating from Bethesda she worked at Providence Hospital for one year and then returned to Bethesda. Martha worked at Bethesda Oak Hospital as a staff nurse and charge nurse for over eighteen years before joining the Quality Assurance/Utilization Management Department. In 1997 Martha became a Care Management Coordinator at Bethesda North Hospital and served in this role for over twenty years. Martha now works in Utilization Management at TriHealth Norwood.

In addition to serving on the board for Bethesda School of Nursing Alumni Association, Martha is an active member of the Cincinnati TriState Oncology Nursing Society and belongs to the American Case Management Association.
